

Executive Summary

Helping Your Business Grow

NovaSource helps retailers expand. We're a preferred real estate developer for a variety of retail chains, restaurants and automotive service companies. We help them cost-effectively add new stores in their markets. We also assist franchisees with area development agreements and can simultaneously develop multiple new locations in multiple markets.

Our Expertise

- Valuing real estate opportunities
- Negotiating real estate transactions
- Structuring agreements and legal documents
- Real estate due diligence
- Overseeing project design
- Project cost optimization
- Securing entitlements, permits, and approvals
- Managing construction
- Acquisitions
- Sale-leasebacks

Creating Value

NovaSource moves quickly and professionally to manufacture new sites and turn-key locations. NovaSource works closely with top-notch local and national retail brokerages to identify and create quality retail development opportunities.

Because we're working on multiple projects in a variety of markets, we generate buying power and other economies of scale that allow us to pass along cost savings to our tenants and clients.

Variety of Retail Segments Served

- Apparel and Accessories
- Restaurants and Food related
- Vehicle-related
- Child care and early childhood education
- Consumer services
- Banking
- Beauty Services and Supplies and Health-related
